Mr. Chairman, and Members of the Conference:

I praise God that my experience is up to date, and it is well with my soul today.

Vast and varied have been the circumstances under which I have labored in the conference this year, but I can say that I have earnestly sought God and endeavored to do what I felt was His will in all the work assigned to my hands.

I have preached 148 times, gotten out 405 pieces of mail, presided over 16 district conferences and 9 board meetings. I have visited all the churches and missions except 8; attended the General Conference. (And I was able to report that real progress had been made in the conference during the past quadrennium. One outstanding thing was a net gain of 476 members.) As director of the evan-

gelistic effort in the conference, with the cooperation of the central committee and others, I have been able to organize 4 new churches; Faison, Selma, Verona and Lamms Grove. Including those two came to through the newly organized churches I have received 51 members into the church. I have conducted or assisted in 4 revival meetings. 12 have testified to being saved, three sanctified and 1 received the Holy Ghost.

I served as Editor of the Conference Evangel and got out one tract in the interest of home mission work.

I have received a salary of $2100 from the conference treasury; $191.08 in personal gifts; three cents per mile for traveling expenses; have traveled 13,500 miles in the interest of the conference work. I have paid $295.71 tithes.

Report of the Committee on Finance

We, your Committee on Finance, submit the following:

We believe that the system of paying tithes and giving offerings is the one and only plan God has instituted in His world for His work. We call attention to the General Conference Finance Committee's report and the recommendation that all our members, ministers and laymen, pay tithes so that all phases of God's work may be adequately supported.

We further recommend:

2. That ministers of the North Carolina Conference pay fifty (50%) per cent of all their tithes into the conference treasury, and the remaining fifty (50%) per cent into the church treasury where the minister holds membership or may serve as pastor.

3. That no minister shall be elected to any official position who does not comply with above system.

4. That all churches pay their pastors their regular salary for the Sabbath during the Annual Conference session.

Report of Committee on Temperance and Public Morals

We, your Committee on Temperance and Public Morals, submit the following report:

Your Committee desires to call out people to an enrichment of spiritual living by patterning our lives after the instructions of God's Word and adhering to the truth promulgated by our Church.

Teaching and training agencies of our church are called upon to instruct our children and young people in proper health standards, the evils of intemperance, the abstinence from the use of alcoholic beverages, tobacco in all forms, and other habit-forming indulgencies.

The crime bill in our nation in money is figured in terms of billions of dollars, but no estimate is adequate to cover the moral and spiritual price the nation pays. We deplore the enormous increase in criminal activities, responsibility for which rests largely upon indifferent citizenship and lax administration of and enforcement of the law.

Gambling breeds crime and is a menace to busines integrity. The nation must rise in spiritual might in order to end this rapidly growing evil.

We register once again our opposition to the use of and the traffic in habit-forming drugs. Concerned over the increase in the use of cigarettes, especially among our youth, we urge them to repudiate the habit, and we protest against the misleading and suggestive advertisements for the promotion of this habit.

Papers, magazines, and books which offend common decency are on the increase. Sex immorality, low moral standards, and crime make literature of this type and ever-threatening menace to our homes.

We challenge our people to have no part and interest in the infamous liquor traffic. Repeal of National Prohibition has proven a more ghastly failure than its enemies predicted. There is more evil accompanying the modern saloon than the old saloon with all its debauchery. This disaster falls most heavily upon youth.

We commend the Allied Church League for the Abolition of Beverage Alcohol for its educational program and its agitation on this vitallly important matter, in an effort to create a conscience in North Carolina that will no longer tolerate the iniquitous liquor traffic.

An obligation of the State and Nation is to protect its citizens. It seems inconsistent that any government, through participation in revenues, should be a party to any business which has its growth by thriving upon spiritual, moral, physical and social decay of its people. An era of unprecedented debauchery faces us unless Christian forces of the Nation alert themselves and rally in a united warfare against the liquor traffic in all forms.

Our Church has insisted that legalizing the liquor traffic cannot be condoned, for engaging in and supporting the liquor business is sinful. Wine has been declared to be a mocker throughout the centuries, destructive and blighting in effects. Let us call our people to a cooperative effort with other temperance agencies. The Woman's Christian Temperance Union, the World League against Alcoholism, The American Business Men's Research Foundation, and similar organizations.

As our young men return from participation in a global war, we urge our churches to an active interest in them, and call for every assistance to help these men rehabilitate themselves. Especially in the foundation of a Christian home, we call upon our pastors to encourage family worship.

In our public worship let us give greater respect for the Sanctuary of God, the public reading of the Holy Scriptures and proper decorum on the part of the congregation. We would therefore direct the attention of ministers and deacons to this important matter.

We urge our ministers to give the Lord's Day the place it deserves in the educational and preaching program of the church, to promote a revival of Sabbath observance as a necessity of our human natures for worship and rest and make effective a united protest against all efforts to make the Lord's day a holiday instead of a holy day and thus destroy this primary institution.

Respectfully submitted,

Jas. W. Butler,
N. J. Ward,
G. G. Minton.

Report of Committee on Missions

The Church of Jesus Christ has been committed the ministry of reconciliation, which places upon each member a great responsibility, and offers to us a glorious privilege. In view of this and of the immediate need of the field and the crises that now face our Church, we your Committee on Missions earnestly recommend:

1. That one missionary service continue to be held at each Annual Conference.

2. That at least one sermon on missions be preached in each of the district conferences during the year.

3. That all members of the conference pledge themselves to pray more earnestly and give more sacrificially that the needs of the missionaries on the fields may be supplied, and that more laborers may be sent to the fields white already to harvest.

4. The General Conference has asked for $4.00 per member per annum for missions, and if each church raised one cent per day per member, this with the contributions of friends ouside our church would amply reach this quota, judging from the past records.

5. That each evangelist preach at least one sermon on missions during each quarter, and take an offering during each evangelistic meeting.

6. That each pastor preach at least one sermon on missions during each quarter, bringing before the people the needs of the fields, both at home and abroad.

7. That each pastor take an active part in the missionary society of his church, and if one is not in existence, see that one is organized, urging each of his members and others to join.

8. That each society arrange such programs each month as are calculated to inspire the members to zealous activity in the interest of missions.

9.That the deacons and pastor cooperate with the president of the missionary society in having the regular programs and allowing nothing to hinder the offerings.

A. H. Butler, Chairman,
A. E. Robinson,
Ethel Strickland.

Report of Committee on Conference Evangelism

We, your Committee on Conference Evangelism and Church Extension, submit the folowing:

1. That the North Carolina Conference be divided into two zones, designated as Zone No. 1 and Zone No. 2. Zone No. 1 to consist of the Fayetteville and Goldsboro Districts. Zone No. 2 to consist of the New Zern and Tarboro Districts.

2. That we have a conference evangelistic committee composed of three men, who will have the general oversight and management of the conference evangelistic program, such committee to be selected as follows:

(a) The chairman of this committee be elected on the conference floor, and said chairman also serve as treasurer of evangelistic funds.

(b) The conference Stationing Committee appoint a Director of Evangelism for each zone, who will devote his full time to the evangelistic effort within the zone.

3. That the appointed zone directors serve on the basis of $150 per month average minimum salary, plus actual traveling expenses; their income to be equalized on a quarterly basis and supplemented from the evangelistic treasury, to make up the minimum salary whenever necessary. It will be necessary that the evangelistic committee submit to the Conference Board, each quarter, an itemized statement showing all receipts and expenditures.

4. That the Evangelistic Committee devise means for the evangelization of each zone; such as, securing and placing parties and providing such equipment as is needed in so far as is possible.

5. That all evangelistic funds be forwarded to the Conference Evangelistic Committee treasury.

Report of Committee on Orphanage

The Committee on Orphanage work from last year's Conference thought it well to quote from the Committee's report of the previous year, in order to re-emphasize the joint agreement between the Falcon Orphanage Board and the General Board of the P. H. Church, in making the transfer of the Falcon Orphanage plant and management to the Church. We, the Committee, reporting at this conference session perhaps for similar reasons, wish to refer to last year's report, in order to emphasize and more deeply impress upon the minds of all our churches composing the conference, and all the individual members constituting the churches, the great importance of every local church and their members uniting together in one great effort to enlarge our orphanage work and to improve its services both in quality and efficiency.

The quotation from last year's report is: "We, the North Carolina Conference, do accept the challenge of Bro.Culbreth to improve, enlarge and perpetuate this orphanage." If such references from year to year to previous reports are necessary in order to keep the challenge before us as a sacred pledge, all our future reports should be thus linked together, lest we should forget our solemn obligations. There

was not only a challenge involved in the transfer, but our obligation in accepting the proposal of transfer to the Church, became the consideration in exchange for the valuable gift of this plant. There was no financial obligations assumed, on the part of the Church for outstandang debts, or any promises required to pay any amount of the value of the property; but only to perpetuate, expand and enlarge the orphanage work according to the principles previously governing the orhanage management and the articles of incorporation contained in the Certificate of incorporation.

Our conference report of last year pledged its co-operation and support in any plan which might be advised to provide funds to establish a modern orhanage plant with adequate facilities, including educational requirements through grades to graduation from High School, and we should reiterate our pledge from year to year until it is accomplished.

Every church in our conference and every individual member should immediately inaugurate some financial plan most suitable and effective in their locality to secure funds for improving and operating our orphanage work to its utmost capacity, and constant enlargement. Plans to finance the work could be inaugurated by the church under leadership of its pastor, by the Sunday School under direction of the Superintendent of the school; by the P. H. Y. S., or through some other Orphanage Society organized in the church for the purpose of raising funds for the orphanage work. There should be monthly meetings held to inspire interest in the work and to promote the most liberal contributions to the same, and if properly managed, every agency of support could get literal and cheerful co-operation from friends outside their organizations, for which their organized effort would get credit and greatly increase their donations to orphanage.

Signed:

J. A. Culbreth,
T. M. Bizzell,
J. A. Howard.

Report of Committee on Sunday School and P. H. Y. S.

There are thirty-six million young people in America with no religious instruction.

Catholics provide 200 hours of religious instruction per year for their children and the Jews provide 325 hours for theirs, while protestants provide only an average of 17 hours for theirs.

The Bible in the public school, the teaching pastor and the teaching parent and the family altar are almost a matter of history.

Since the repeal of the eighteenth amendment, juvenile delinquency has increased by leaps and bounds.

The liquor and tobacco traffic, with all other agencies of the devil, are making a determined effort to capture the youth of our land. The powers of darkness seem to have set themselves to defy the church of the living God.

All these things constitute a mighty challenge to our Sunday schools and Pentecostal Holiness Youth's Societies.

Therefore we recommend:

1. That in harmony with the recommendations of the Sunday

School Committee at the last General Conference, found on page 36, paragraph 3 of the minutes of said conference, there be elected at this annual conference a President, Vice-President, and Secretary-Treasurer, who shall be the head officials of, and direct all the activities of the Sunday School Association of the North Carolina Conference of the Pentecostal Holiness Church.

2. That the officials of the Sunday Schools and P. H. Y. S. inform themselves of the recommendations made at the last General Conference, in order that, insofar as possible or practical, the same may be put into operation in their respective organizations in the North Carolina Conference.

3. That, insofar as possible or practical the presidents of the Sunday School Association and P. H. Y. S. devote their whole time to the interests of their respective institutions.

4. That all pastors have a monthly meeting of the officials of the Sunday School and P. H. Y. S. to counsel together, in order to determine what are the best ways, means and methods of prompting the work assigned to their hands.

5. That our ministers preach occassionally on the Teaching Ministry of the Church, Sunday School and P. H. Y. S.

6. That the instructors in our Sunday Schools and P. H. Y. S do personal work, among and strive to lead their unsaved pupils to Christ, and into the deeper experiences of grace.

7. That we make use of all the modern means, methods and ways at our command to teach the Word of God.

8. Latest statistics reveal that the age of thirteen is the pinacle of the conversion curve, and that the chances are three to one against a person getting saved after twenty-one. Therefore, let us bring the children into the fold while young.

9. We must provide teacher training and vacation Bible teaching for all who need them in connection with our work.

10. We beg our general officials to take steps to provide curriculum for the Sunday School which will give us the whole Bible with lessons arranged bearing directly on the great doctrine of the same.

11. In all our efforts there must be supreme emphasis on deep spirituality, without which, all of our activities will be in vain.

W. B. Godwin,
D. F. Fulcher,
S. J. Williams.

Report of Committee on Resolutions

We, your Committee on Resolutions, submit the following:

1. That the 1946 session of the North Carolina Conference be held during the closing week-end of the Falcon Camp Meeting, and that a committee of three members be named to comprise the Committee on Arrangements, handling details of the camp meeting and conference.

2. That an Institute for Christian Workers be held at Falcon in the spring of 1946, the date to be determined by the North Carolina Conference Official Board, and that a faculty be named early to plan the course of study and give ample publicity to the Institute.

3. That the North Carolina Conference apply for a membership in the National Association of Evangelcials.

4. That the North Carolina Conference name a representative to report to it or the Conference Official Board on matters relating to religious or governmental affairs which may be of interest and concern to this conference and its members. This representative would serve without any monetary compensation and would be an observer or reporter to the conference.

5. That the American Bible Society be recognized as a connectional missionary interest to encourage wider reading of the Holy Scriptures, their translation, publication and distribution in the United States and abroad.

6. That all reports, resolutions and recommendations to local churches and adopted by the North Carolina Conference, for publication in the Minutes of this session, be read to and discussed at the local church meetings to give information to our people as to the request and recommendations they are expected to follow in the new conference year. And we further recommend that all church members in the North Carolina Conference attend regularly and support with their means the church where they hold their membership, when at all possible.

7. Seeing the need of Christian training and reading of good wholesome literature, we request and urge that each home represented in the North Carolina Conference be a subscriber to the Pentecostal Holiness Advocate, Youth's Leader, Conference Evangel, and such literature that will elevate the moral standard and deepen the spirituality.

8. We recommend that the coming Conference Board consider the advisability of erecting a Conference building adequate to take care of the ministers and delegates of the North Carolina Conference thereby eliminating the necessity of occupying room that is necessary for the care of our Orphanage children.

9. Seeing the natural drift toward worldliness, be it resolved that we hold to the doctrines of Holiness and Pentecost and strive to conform to its principles outwardly as well as inwardly.

Respectfully submitted,

L. E. Peyton,
Jas. F. Eppes,
W. N. Bass.

Report of Committee on the Woman's Auxiliary

We, your Committee on Woman's Auxiliary, recommend the following:

1. Inasmuch as the Woman's Auxiliary has been recognized as an official organization, we urge that all pastors and ministers encourage an organization in each church.

2. We urge that the reports of Committee on Christian Service and Missions as recorded in the minutes of the First Annual Session of the Woman's Auxiliary be stressed by each pastor and carried out by each Auxiliary to promote the welfare and spirituality of our homes, churches, and communities.

3. We urge that the report of the Committee of Woman's Auxiliary in the General Conference be read and studied by every pastor and

minister that they may be better informed as to the purpose and need of an Auxiliary in each church.

4. That an editor be appointed by the Auxiliary Executive Committee to edit the department allotted in the N. C. Conference Evangel.

Respectfully submitted,

Mrs. I. S. Taylor, Chmn.,
Mrs. J. E. Poland,
Mrs. Victoria Moore,
Mrs. Lessie Polston.

Report of Committee on Memoirs

We, your Committee on Memoirs, submit the following:

We are taught that it is appointed unto men once to die, and inasmuch as that is true it behooves every one to be prepared for it.

Whereas, it has seemed pleasing to almighty God to call from us two of our beloved brethren and ministers of the gospel, we reverently bow in humble submission to His will.

Rev. W. L. Lloyd was loved and appreciated and held in high esteme by everyone who knew him. His ministerial activities were confined to the local community in which he resided. It was also of brief duration, but even so, his sincerity and loyalty to God and his church endeared him greatly to the people. His last meeting was held in Raleigh Free Mission, and all who heard him were blessed. His death came suddenly and unexpectedly, but he was ready for it.

May heaven's richest blessings continue to rest upon his devoted wife and sustain her in her loss and bereavement.

Rev. J. W. Wilson for several years moved from city to city, and being an insurance agent worked at that business as long as he was physically able.

He was saved, sanctified, and baptized with the Holy Ghost and called to preach several years ago. He had a large family and had to work to support his family. He did not preach so much from the pulpit, but said he preached to many people while working, and occasionally held a meeting or assisted in meetings held by others.

He suffered much for a long period of time in his last days. One of his limbs was amputated but finally death came and took him out of all his misery and pain, and he went to be with Jesus.

May his widowed wife, and children and all of us be ready and prepared to meet our God in peace.

W. L. Mayo,
E. W. Downing,
A. H. Butler.

Whereas, a vacancy now exists on the General Board of Administration of the Pentecostal Holiness Church; and

Whereas, the North Carolina Conference, the mother conference of the Pentecostal Holiness Church, with a membership in excess of

2,600, is without a representative on this General Board of Administration of the Pentecostal Holiness Church.

Now, therefore, be it resolved:

That the vacancy be filled by the naming of a member of the North Carolina Conference to complete the full membership of the General Board of Administration of the Pentecostal Holiness Church.

Report of W. B. Godwin, Conference year 1945

During the year I was sick for quite awhile, not able to work at all, but God had mercy, answered prayer and raised me up.

I visited all the churches except three or four.

I preached or lectured 87 times.

I directed eleven Sunday School Conferences, 44 of our Sunday schools were represented with splendid and inspiring programs.

A good number of the other schools were represented either by a delegate or a written report.

Between 30 and 40 of our ministers participated in these conferences.

The attendance was good and in some instances large.

Order and attention were splendid.

Probably 150 Sunday school officers and teachers attended these conferences.

They were all given an opportunity to say something about their school or classwork.

Many of these talks were instructive and inspiring.

Offerings amounting to several hundred dollars all told, was received for different phases of God's work, mostly for our missionary and orphanage work.

Most of these conferences were richly blessed of God's glorious presence, and in some instances the saints were moved to shout and praise God.

Two Missionary Baptist Sunday schools rendered musical programs at these conferences, one of which was the local Baptist Sunday school here in Falcon.

For some time I tried to get someone to hold Teacher Training Classes, finally I secured the services of Sister Ethel Strickland, and all reports indicate that her lectures on The Science and Art of Teaching have been very helpful, instructive and inspiring to those who attended the classes.

I visited and prayed with the sick a good many times.

I distributed hundreds of pieces of literature dealing with the subject of temperance, prohibition, and public morals.

Correspondence with all the Sunday schools is a necessary part of my job.

I received six hundred and fifty dollars.

Put sixty-four dollars into conference treasury.

Other gifts amounted to eighty-seven dollars and forty-two cents.

Many of my friends visited me while I was sick, and the people have shown me a great many kindnesses throughout the conference year, for which I do thank every one.

I also thank and praise God for the multitude of tender mercies and loving kindnesses He has bestowed upon me.
